

New Jury Instructions Builder (JIB) is Live and Ready for Use!

The Jury Instruction Committee for the Eighth Circuit is pleased to announce a new tool with increased functionality for both Civil and Criminal Pattern Jury Instructions.

Trial lawyers and judges will benefit from this new tool that enables users to format an entire packet of jury instructions by clicking a few computer keys!

Use of the JIB will ensure that the most current Committee-approved version of instructions are being used.

Other benefits include:

-  No log-in required.
-  Save or print a Microsoft Word copy of selected instructions with or without Committee Comments and Notes on Use.
-  JIB automatically generates Table of Contents.
-  Reorder and paginate instructions to customize your packet of instructions.
-  Content is maintained and updated by court staff in the Eighth Circuit, ensuring feedback goes directly to the Jury Instruction Reporter.
-  Available to bench and bar at:

<https://juryinstructions.ca8.uscourts.gov/>

The screenshot shows the web interface for the Jury Instructions Builder (JIB) for the Eighth Circuit. The page title is "UNITED STATES FEDERAL COURTS Eighth Circuit Pattern Jury Instructions Builder - Civil Cases" with the URL "https://juryinstructions.ca8.uscourts.gov/". The interface includes an "Options" section with checkboxes for "Include Annotations" (checked), "Continuous Page Numbering" (checked), "Display Current Instructions" (selected), and "Display Prior Instructions". Below this is a "Select Instructions:" section with a tree view of instruction categories. The "Preliminary Instructions For Use At Commencement Of Trial" category is expanded, showing six sub-items (1.01 to 1.06) with checkboxes and icons. Other categories include "Instructions For Use During Trial", "Instructions For Use At Close Of Trial", "Prisoner/Pretrial Detainee Civil Rights Cases", "Title VII Cases", "Age Discrimination In Employment Act Cases", "Equal Pay Act Cases", "Harassment Cases Under Title VII, Sections 1981 and 1983, ADA, and ADEA", "Americans With Disabilities Act", "Employment - Retaliation (Anti-Discrimination Statutes)", "Employment - Race Discrimination (42 U.S.C. § 1981)", "Employment - Public Employers (42 U.S.C. § 1983)", "Employment - First Amendment Retaliation (42 U.S.C. § 1983)", "Employment - Family And Medical Leave Act", and "Employment - Federal Employers Liability Act". At the bottom of the selection area, there are two boxes labeled "Instructions Selected" and "Drag/Drop to Reorder", an "Undo Reorder" button, and "Clear All" and "Generate Jury Instructions" buttons.

Special Thanks

The new Pattern Jury Instructions Builder would not be possible without the following:

The Eastern District of Missouri IT Department

Angel Hernandez, IT Director

Faith Jones, Assistant IT Manager

David Robinson, Web Specialist

Mike Hobbs, Systems Administrator

Jeff Johnson, Systems Administrator

The Eighth Circuit Library

Eric Brust, Circuit Librarian

Diane Neske, Assistant to the Circuit Librarian
